

# 360° Rotating Tablet Stand with USB-C Docking Station

It is all-in-one solution for seamless connectivity and ergonomic tablet support. The stand offers adjustable height and angle for optimal ergonomic positioning, along with a 360° rotating base for flexible working positions. The docking station includes HDMI, USB-C PD, Audio combo jack, USB-A, and USB-C ports, as well as card readers for SD and MicroSD/TF cards. This docking station transforms your workspace and expands your connectivity options with ease. With a USB-C cable connection, it then provides HD video output, a 100W PD charging port, audio connectivity, power input, and dual USB 3.0 ports for high-speed data transfer, offering an array of features to enhance productivity and convenience.

Say goodbye to cluttered desks and tangled cables - our docking station consolidates all your essential connections into one sleek hub.

Say goodbye to discomfort and hello to efficiency with the USB-C 3.0 Docking Station and Tablet Stand. Elevate your workspace today and experience the ultimate in connectivity, versatility, and performance. Perfect for home entertainment, office presentations, and classroom teaching.

## Features

- Adjustable height and angle for optimal ergonomic positioning
- 360° rotating base for flexible working positions
- Supports HDMI resolution up to 4K 30Hz
- Supports USB Power Delivery (PD) up to 100W
- Features USB-A and USB-C ports with 5Gbps transfer speed
- Features SD 3.0 and MicroSD/TF 3.0 slots
- 3.5mm audio combo jack for headphones and microphone
- Multi-platform support: Windows, Chrome, Linux, and Android systems
- Plug-and-play functionality for hassle-free setup
- Heat conduction alloy and ventilation design prevent overheating
- Supports tablet from 7" to 12.9" (PR100B) and laptops from 7" to 15.6" (PCR100D)
- Foldable and portable design for on-the-go convenience
- Silicone padding prevents scratches and secures devices
